

AWAY DAYS IN INDY

The Pride of the Midwest

Away Days are the best days. Although we plan to take all three points, you can still head home with fond memories of the best city in the Midwest. We encourage you to explore our community and visit places not just for their food + drink, but also for the learning experiences they offer. The BYB is adamantly anti-racist and, as such, we invite you to partake in the learning experiences our city has to offer.

No matter how friendly we are pre- and post-game, there is no supporter group interaction during the 90 minutes.

Please connect with us prior to your trip if you would like to be able to call/text on match day. BYB Leadership is available for support during the match.

We are proud members of the Independent Supporters Council of North America.
